RE: Request for Letter Regarding Building Codes/Permits

Please be advised that Crenshaw County does not currently have any adopted building code ordinances or regulations covering the unincorporated areas of Crenshaw County, Alabama.

Please be further advised that any alterations, renovations, additions, etc (for example with regard to cellular towers and such modifications), you are required to submit valuation documentation to the office of Revenue Commissioner for taxation purposes. That office may be reached by calling (334) 335-6568 and asking for extension 2234. Thank you.
